Caymans premier residential development recently referred to as "Millionaires Row" offers such a wonderful residential waterfront and marine community....this is the place to build your forever home indeed! The star gazing at night is out of this world and the gentle Caribbean breezes swirl around and give you a true West Indian Hug! There is nothing like it if ya ask me! A new seawall has been constructed on this particular lot and is your empty canvas for your creation to be enjoyed by your family and friends. Jump on your boat right there in your backyard and head out to fish, swim, snorkel, enjoy one of the many waterfront restaurants via water or...just be! Conveniently nestled on the SMB Corridor close to EVERYTHING yet so quiet and peaceful. An investment that will continue to appreciate financially as well as intrinsically.

Next door Lot # 208 is also available for acquisition.

Monthly maintenance and 7-year road fee = US\$ 273.00

Monthly 2024 Road Surfacing Assessment = US\$ 83.26
