**P O T E N T I A L!** That's the best word to describe this sprawling family home that sits on 1.8 acres of beautiful, lush land, with an elevation of 11 to 15 feet! Full of fruit trees, a detached shed/workshop area and 2 access points, you can expand this home to create a pickleball/tennis court, pool and outdoor kitchen and **STILL** have room left over! **OR...**portion off some of the land and create more house lots, without compromising the home itself. Moving inside, there is room for the largest of families. A master wing and bonus room are on one side; the living, dining, kitchen, utility room and storage closets are in the middle of the house, then the guest bedroom wing comprises of a den, 3 bedrooms and 2 bathrooms (all recently upgraded). **SO MUCH SPACE!** The flexibility due to zoning, rare large parcel and location means you can maximize the opportunities that await. Contact us for a private viewing and let's talk about making this one **YOURS**.
