REDUCED in Price - RARE opportunity to purchase Ocean Front Land in Cayman. This oversized parcel is priced to sell at just over 0.7 acres / 30,596 sqft, offering an irresistible opportunity to build that dream home. Perfectly perched 40 feet high above the Caribbean Ocean, it's simply unmatched by any other ocean front areas in Cayman. The pure serenity with spectacular soaring seascape of the location, endless ocean views, sea breezes, and the calming sounds of ocean waves makes this parcel seem like an irresistible home owner's dream. With beach access just a short walk away and the new Mandarin Oriental Hotel (being built) just steps away, it's the perfect opportunity to make this ocean front parcel your dream home location. AND don't forget the new proposed road to be built close by... This Ocean Front Land is not to be missed...
