Impressively renovated, and ready to be loved, this is 169 Victory Avenue.

169 Victory Avenue is a 1,900sq ft, 3 bed plus loft, 2 bath home astride 0.29 acres, conveniently located in the growing neighborhood of Prospect. The home is centred around a spectacular kitchen, fit with new stainless steel gas powered appliances, oversized kitchen island, and more than enough storage space throughout. Accented by an abundance of natural light, a spacious master bedroom offers both a walk in closet, and an almost surprisingly beautiful en-suite bathroom. Across the living room, you will find 2 other bright and comfortable bedrooms, each fit with their own mini split A/C for convenience, sharing a bathroom between them. The high ceilings throughout allow your upstairs loft space to remain open, perfect for a home office space, or perhaps to be converted into a fourth bedroom. For growing families, there is more than enough space in the back garden for a pool, and room to play. If you are looking for safety, convenience, and a home that is move in ready, this is it!
